Datasheet

RS Pro Amalgamating tape 38mm x 1.5m

RS Stock No **1469001**

Black rubber based self-amalgamating insulating compound in tape form, on an easy to remove release liner. To be used in conjunction with other insulating tapes for complete installation.

- Quick and cost effective insulation build up
- Can be compressed and moulded by hand
- Conformable to irregular shapes

Technical Details

Thickness	3mm
Copper Corrosion	None
Dielectric Strength	16 kV/mm
Insulation Resistance	1x10 ⁷ Mohms
Operating Temperature	-30°C to +80°C Continuous
RoHS Compliant	Yes
Storage Temperature	+12°C to +25°C
Water Absorption	0.10%

STORAGE

Tapes stored below the minimum recommended temperature will require warming up to that level before use. Up to 24 hours may be required for this to take place.
