RS Pro 10 mm Universal Ratcheting Wrench

RS Stock No: 144-7959

Universal broaching allows this wrench to work on multiple types of fasteners; Hex (6pt), 12pt, square, Spline, E-Star, and semi-rounded fasteners. Therefore, you essentially get multiple tools in one ratcheting wrench.

Specifications:

Size: 10 mm

Feature:

- Cr-V Material
- 72 Tooth Gear Mechanism
