RS PRO Isopropanol Wipes, White, 140 x 100mm, 20 wipes per pack

RS Stock No.: 0765420

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

These isopropyl alcohol (IPA) cleaning wipes are perfect for cleaning delicate electronic devices, including circuit boards and gold or tin contacts. Each wipe is impregnated with IPA and deionized water and can be used to remove thin deposits of dirt, grease, suspended particles, and flux residue.
