

## FEATURES

- **Load Capacity of 9 kg:** Supports a wide range of tools, enhancing versatility in applications.
- **Maximum Travel of 1.3 m:** Allows for extended reach and flexibility in tool handling.
- **Locking Mechanism:** Provides secure positioning of tools, preventing accidental drops.
- **Tension Adjustment:** Enables precise control over tool balance, improving user comfort.
- **Aluminium Housing:** Offers durability and resistance to corrosion, ensuring long-term use.
- **Mild Steel Cable Material:** Provides strength and reliability in demanding environments.

## RS PRO 9 kg Tool Balancer, 1.3 m Maximum Travel

RS Stock No: 665-624

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

The RS PRO Tool Balancer is designed to enhance productivity and safety in industrial environments by providing a reliable solution for managing tools. With a load capacity of 9 kg and a maximum travel of 1.3 metres, it ensures smooth and efficient operation, reducing operator fatigue and improving workflow.
