- Camlock as standard, with 2 keys.

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO Workwear Lockers

A range of steel lockers with additional internal configurations and door options to suit specific garment storage and dispensing requirements.

Workwear lockers can also be specified with Sloping Tops. These are essential in hygiene sensitive locations (such as hospitals and the food industry). The slope prevents items and litter being left on locker tops and makes cleaning easier.

Lockers have been tested and conform to the requirements of the British Standard for Clothes Lockers BS 4680: 1996 'Standard Duty'

ActiveCoat antimicrobial technology is incorporated into all our locker products at the time of manufacture, offering constant protection against a wide range of bacteria.

Important note regarding locker installations

Wherever possible lockers should be secured to ensure stability. Single lockers should ideally be fixed back to a wall. Runs of lockers should be fixed together side-to-side and either fixed back to a wall or fixed back-to-back to another run of lockers.

Approvals

Standards Met	BS 4680:1996
---------------	--------------

Garment Dispenser & Collection lockers

Designed for managing the issue of workplace clothing - often via third party laundries - is an essential part of hygiene procedures in many sectors.

Our locker range offers solutions for all organisations, large or small.

Height - 1778mm	
Width	Depth
381mm	457mm

Collector

- Full-height door.
- Galvanised anti-theft shelf, angled inside 'post slot'.
- Hooks for laundry collection sack (sack not included).

5 door

10 door

15 door

Dispensers

- Lockers provide each worker with access to their secure compartment; to collect a freshly laundered issue of clothing.
- The full-height main door allows access to all of the individual compartments, for re-stocking with laundered clothing.
- Choice of 5, 10 or 15 door lockers.
- Workers 'post' their used garments into an adjacent collection locker.

Collector & Dispenser

- Half-height upper 'issue' door with 5 compartments.
- Lower 'collector' door with 'post slot'.
- Hooks for laundry collection sack (sack not included).

Height - 1778mm	
Width	Depth
381mm	457mm
