A robust, heavy-duty, helmet mounted faceshield with hearing protection compatibility Compatible with a wide range of helmet designs (size, shape and geometry) Visor fixing method is secure and allows easy visor replacement

**Benefit**

it gives maximum protection, allowing full unrestricted head movement

**Feature**

## SUPERVIZOR SV9TC Clear Triacetate Visor (200mm) - 1002318

Full face protection: optional chinguard versions available for added protection  
Creased visor eliminates gaps and visor profile follows contours of the face  
Visor selection can be tailored to the specific hazard/application: mechanical, chemical, heat etc.  
SH items are compatible with the complete range of helmet mounted earmuffs including Bilsom communication earmuffs

### **Benefit**

Design allows the visor to be tilted whilst leaving the earmuffs in place covering the ears. It also facilitates the wearing of the earmuffs without compromising the attenuation, whilst maintaining a maximum area of facial coverage
