ENGLISH

RS Pro 1500mm x 1/2in Diameter 304S31 Stainless Steel Rod

Product Details:

304S31 & 304S15 (1.4301) A2

General purpose non-magnetic stainless steel possessing good weldability, formability and general corrosion resistance.

- Bar-rolled edge
- Rod - BS970 pt 3 BSEN 10088-3
- Angle - BS970 pt 1 BSEN10051
- Square - BS970 pt 3 BSEN 10088-3
- Sheet - BS1449 pt 2 BSEN 10088-2 (2B surface finish)
- Excellent material for polishing
- Suitable for food and dairy processing equipment, laundry and chemical industry, process plant and tanks

Specifications:

Material:	304S31 Stainless Steel
Form:	Rod
Length:	1500mm
Outer Diameter:	1/2in
