

STANLEY

STANLEY Safety Wrap Cutter

0-10-244

Features:

- Replaceable blade for convenience
- ABS plastic material offers a strong and light solution
- High visibility allows knife to be easy to spot

Description:

The STANLEY FATMAX® Snap-Off Cartridge Blade Knife features a built in wrap cutter which is ideal for shrink wrap, banding and cartons. The knife is built from lightweight ABS plastic and has a hole which can have string looped in for easier storage. The cutter is highly visible and easy to spot with its bright red finish.
