

# Reflex® Therm

## Providing warmth and protection

Reflex® Therm is a general handling glove with a thermal liner and a crinkle latex palm coating from Polyco's renowned Reflex® range, the Reflex® Therm safeguards the wearer from mechanical hazards while keeping hands warm and comfortable. The crinkle latex palm coating provides excellent grip in both wet and dry conditions and is highly elastic making it extremely flexible allowing for prolonged use with minimal hand fatigue. The elasticated knit wrist not only ensures a secure fit, it also keeps the hands free from dust and debris. A very comfortable glove with excellent grip, the Reflex® Therm is a great choice for outdoor general handling duties.
