

## GGBL3030S

Lisse - switched socket - outboard rocker -13 A -  
230 V - 2 gangs

### Main

|                           |                  |
|---------------------------|------------------|
| Range                     | Lisse            |
| Aesthetic name            | White moulded    |
| Product or component type | Switched socket  |
| Device presentation       | Complete product |
| Outlet standard           | British          |
| Colour tint               | Matt white       |
| Quantity per set          | Set of 1         |
| Type of packing           | Bag              |

### Complementary

|                         |                        |
|-------------------------|------------------------|
| Switch function         | 2-pole                 |
| Rated current           | 13 A, 230 V AC 50 Hz : |
| Actuator                | Rocker                 |
| Number of gangs         | 2 gangs                |
| Pilot light             | Without LED            |
| Fixing mode             | By screws              |
| Connections - terminals | Screw terminals        |
| Material                | Urea (carbamide)       |
| Type of installation    | Indoor                 |
| Depth                   | 149 mm                 |
| Width                   | 87 mm                  |
| Height                  | 34 mm                  |
| Product weight          | 0.161 kg               |

### Environment

|                         |           |
|-------------------------|-----------|
| standards               | BS 1363-2 |
| IP degree of protection | IP20      |
