

## FEATURES

- Steel clevis fasteners
- Spring clip
- M10 x 1.5 rod connection thread
- Ball diameter of 10mm
- Overall length of 52mm
- Overall width of 20mm
- Zinc finish for corrosion-resistant finish

## RS PRO Steel M10 x 1.5 Clevis, 52mm x 20mm

RS Stock No.: 312-0214

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

These clevis fasteners from the RS PRO range are small but tough. They're best suited for use in the medical, food and petrochemical industries where a robust coating is required to protect components. With zinc-plated coating, they're durable and resistant to corrosion.
