## Product Description

Buy this product from [www.rspro.com](http://www.rspro.com)

*The RS Pro Heavy-Duty Connector series is a full range of heavy-duty inserts, housings, crimps and accessories. These connectors have been designed for situations where they will encounter harsh environments. This makes them ideal for food & beverage manufacturing, packaging machines, conveyor belt systems, railway, oil & gas processing and other industrial automation. These adaptors are for use with Heavy Duty Power Connectors.*
