Product Description

ESD Polyurethane Support Chair is a modern solution designed for environments where effective protection against electrostatic discharge (ESD) is essential. Built with high-quality materials and ergonomic design, it provides maximum comfort, durability, and safety for daily use.

Product Features:

- ✓ **Sturdy five-star chrome-plated base** – provides excellent stability and is resistant to intensive use
- ✓ **Stain-resistant surface** – easy to clean and maintain, even in demanding environments
- ✓ **Safety-First Design** – For maximum safety, the tallest model is equipped with glides instead of castors
- ✓ **Soft, anti-slip polyurethane seat** – ensures comfort and allows precise height adjustment for personalized use

An ideal choice for production and service environments where electrostatic safety is a priority. Suitable for use in industries such as electronics, automotive, general manufacturing, medical, pharmaceutical, and defense.
