

Category 5e Inline Coupler

Category 5e UTP inline coupler (FACBkne/FACWhne)

High performance Category 5e unshielded inline coupler

Features:

- High performance data throughput meets Category 5e data transfer standard
- Suitable for POE+ installations
- Available in black or white

Specifications:

- Net weight:
FACBk/Whne: 8g (including primary packaging)
- Dimensions:
FACBk/Whne 40 x 22.5 x 20mm (including primary packaging)
- Colour: black or white
- Materials:
 - Housing: ABS (fire retardant)
 - PCB: FR-4
 - Contacts: gold-plated phosphor bronze

Packaging: Packed in an individual poly bag, then in bag of 20 pcs

Commodity code: 85369010

EAN:

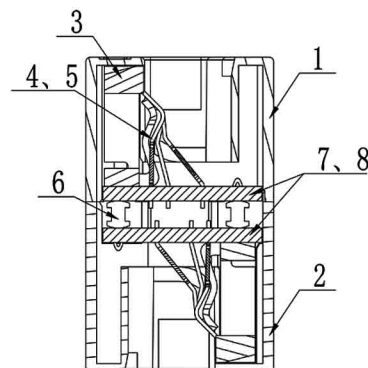

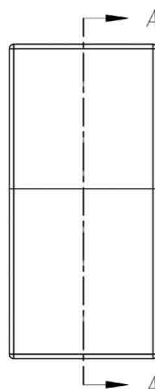

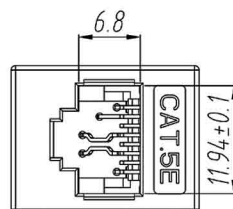

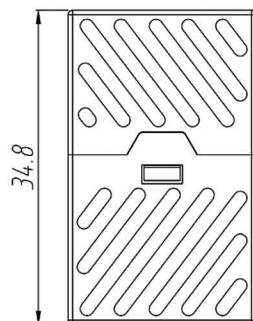

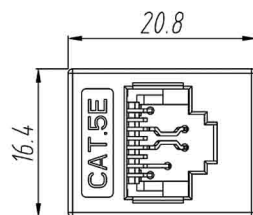

FACBkne: 5055386514127

FACWhne: 5055386514134

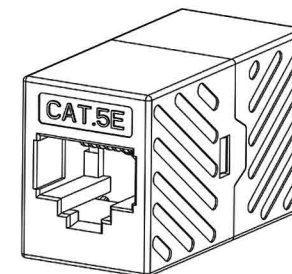

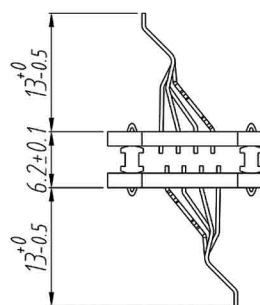

Country of Origin: China

ROHS Compliant

Code: FAC*ne
***Bk/Wh**
