

ECOSPILL ROOF DIVERTER

7' X 7'

PRODUCT

Drip diverters capture leaks from roofs and ceilings, directing water away to a drainage point to prevent property damage and eliminate slip hazards. Made from lightweight vinyl-coated fabric with heavy-duty corner grommets for secure ceiling attachment (bungee cords not included), they measure 2134 x 2134mm and weigh just 1.8kg. Quick to install, they're ideal for emergency leak control, though drainage hoses must be sourced separately.

PRODUCT NO	DIMENSIONS	QTY	CAPACITY
LRD2134	7' x 7' length x width 2134 x 2134mm	1	N/A
