- Standard plugs: UK, Europe, USA, Australia
- Standard socket: USB-A, USA, China, UK, Europe, Australia, Germany, Italy, Switzerland, Brazil, Japan.
- Input voltage: 100 to 250Vac
- Maximum power ratings: 1100W @ 110V and 2500W @250V
- Maximum load: 2.4A/USB Charger, 10A/Travel Adapter
- USB-A output: 5V/ 2.4A,12W Max
- Built-in child protection

RS PRO UK, Europe, USA, Australia, Travel Adapter, Dual USB-A Charging ports

RS Stock No.: 0446993

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO World to UK, Europe, USA, Australia, Travel Adapter, Dual USB-A charging ports

The World Adapter MUV USB-A is a compact versatile mains travel adaptor for unearthed 2-pole devices which also incorporates dual USB outlets. This travel adaptor utilises a patented retractable plug system to allow the selection of standard plus and socket connections.

The built-in USB-A ports are situated to allow their use simultaneously with other mains powered devices in the mains connection side of the adapter. The dual USB ports will also provide a total of 2.4A charging power even if other devices are connected to the adapter

Features and Benefits

- Full copper, flame-retardant PC material and safety shutters, durable and safe.
- Compact shape & widely use.
- World Adaptor with CE, FCC, IEC60884-1 certifications.
