BAR620J

Steel protection barrier with plate - tube Ø60mm - yellow

Safety barrier with 40mm steel tube, a horizontal crossbar, and mounting plate. Ideal for ensuring the safety of people in areas with risks, parking lots, and more. The mounting plates are offset to minimize the gap between the barriers. Made of steel, it is advisable not to install them in saline environments or in prolonged contact with hydrocarbons. Available in various dimensions, colors, and finishes.

Customs code	7326909890
EAN	3321360009401

Color : Yellow

Material : Steel

Specifications :

- Protective barrier with a horizontal crossbeam and mounting plate.
- Ideal for ensuring the safety of individuals near high-risk areas, parking lots, etc.
