Datasheet

Stock No: 482-222

RS Pro 057 Series, 2.54mm Pitch 20 Way 2 Row Right Angle PCB Header, Solder Termination

Product Details

Boxed Headers

2-row boxed headers compatible with BT224 type bump polarised and universal sockets

Polyester mouldings to UL94-V with gold plated copper alloy contacts

Solder spill connections on a 0.1in grid will be suitable for standard 1.6mm thick PCBs

Note

Overall header length = $7.9 + (\text{no. of ways} \times 2.54)$ mm

IDC Termination - Speedbloc

Headers & Sockets

IDC Termination - Speedbloc

Specifications:

Number of Contacts	20
Pitch	2.54mm
Number of Rows	2
Type	Shrouded Header
Body Orientation	Right Angle
Termination Method	Solder
Series	057
