

FEATURES

- **Deep Tray Design:** Provides ample space for larger tools and equipment, enhancing storage capacity.
- **Durable Polyamide and Polypropylene Construction:** Ensures long-lasting use and resistance to wear and tear.
- **Latch Lock Type:** Offers secure closure to keep tools safe and prevent accidental opening.
- **Compact Size:** With dimensions of 450 mm length, 260 mm width, and 240 mm height, it is easy to carry and store.
- **Lightweight:** Weighing only 2.1 kg, it is easy to transport without adding unnecessary weight.
- **Non-Wheeled Design:** Provides stability and prevents unwanted movement during transport.
- **Black Colour:** Offers a professional appearance and is less prone to showing dirt.

RS PRO Deep Tray Tool Box, Black Polyamide

RS Stock No: 652-739

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO tool box is designed for professionals who need a reliable and durable storage solution for their tools. Made from robust polyamide and polypropylene materials, it offers excellent protection and organisation for your equipment. Its deep tray design is ideal for storing larger tools, while the compact dimensions make it easy to transport.
