RS Stock No.: 771-6440

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

RS PRO Maintenance Drum Top is designed to fit neatly on top of a standard 205 litre drum. Each drum top mat features two cut outs to fit drum filling points. The product will capture spills and drips that occur during decanting or refilling the drum. The maintenance drum top is suitable for most industrial fluids, including oils and fuels. Finished in discreet grey.
