RS Stock No.: 0303938

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

The Red and White 4mm Chain is a versatile and durable safety product designed to create clear and effective boundaries in a variety of environments. This chain is widely used for both indoor and outdoor applications, including crowd control, safety barriers, parking lot management, and access restriction. With its distinct red and white color scheme, this chain is not only functional but also highly visible, making it a useful tool for maintaining safety and order.
