

FEATURES

- **Stranded conductor type:** Enhances flexibility and ease of installation
- **Bare copper conductor material:** Provides excellent conductivity and signal quality
- **6 core configuration:** Supports multiple connections and versatile use
- **Polyvinyl chloride jacket material:** Offers durability and resistance to environmental factors
- **Black jacket colour:** Provides a professional appearance and easy identification
- **Compact outside diameter (2.4 x 6.8 mm):** Facilitates installation in tight spaces
- **REACH and RoHS compliant:** Ensures adherence to safety and environmental standards

RS PRO 5 m Telephone Cable, 6 Core Stranded

RS Stock No: 707-860

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO telephone cable is designed for reliable communication connections. With a 5-metre length and 6 cores, it is ideal for installations requiring flexibility and durability. The stranded bare copper conductors ensure efficient signal transmission, making it suitable for both residential and commercial applications.
