DESCRIPTION

WORKBENCH FURN. 1 DOOR (680 MM DOOR HEIGHT)

Practical and efficient workbench unit for optimising your work space. Thanks to its optimised interior storage, you'll be able to keep all your tools in complete security and in a single place. Thanks to its door fitted with an ergonomic handle, you'll be able to access your equipment easily and quickly. You also get two shelves for even more practical and better organised storage. The 10-square and 38-pitch lateral pegboards allow you to hang up your tools, for quick and easy access to your equipment. And for a made-to-measure organisation, our workbench unit can be combined with additional options such as worktops, castors and handles. By choosing our workbench unit, you are opting for a professional quality product, designed to meet your most demanding professional needs. With its functional and elegant design, it will fit in perfectly to your workshop.
