RS PRO Polyurethane Stool

RS Stock No.: 0687579

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

RS PRO Polyurethane Stool is a modern solution designed for demanding work environments where comfort, durability, and ease of maintenance are essential. It provides practical and ergonomic support for everyday tasks.

Product Features:

- ✓ **Adjustable, anti-slip seat made of soft polyurethane** – ensures comfort and stability during use
- ✓ **Durable five-star chrome steel base** – offers excellent stability and resistance to intensive use
- ✓ **Stain-resistant surface** – easy to clean and ideal for tough working conditions
- ✓ **Safety-First Design** – For maximum safety, the tallest model is equipped with glides instead of castors

An excellent choice for production, workshop, and service environments that require robust construction and everyday comfort. Suitable for industries such as general manufacturing, automotive, technical services, and maintenance.
