

## Datasheet

# RS Pro SS-668808 Series 13.97mm 16 Way 1 Row Right Angle PCB Socket Through Hole

RS Stock No: 437-171

## Product Details

RS Pro modular jack connector has 8-ports for Cat4 cabling. This connector is commonly known as harmonica for right angle PCB mounting. It is suitable for multiple network applications. The connector has solder termination and copper alloy contact. It supports through hole mounting for easy installation.

## Features and Benefits

- SS-668808 Series modular jack connector
- 8-ports for Cat4 cabling
- Commonly known as harmonica for right angle PCB mounting
- Suitable for multiple network applications
- Has solder termination and copper alloy contact
- Supports through hole mounting for easy installation

**Specifications:**

Body Orientation	Right Angle
Contact Material	Copper Alloy
Mounting Type	Through Hole
Number of Contacts	16
Number of Rows	1
Pitch	13.97 mm
Termination Method	Solder
