RS Pro LED Light 240V ac Electrical Soldering Iron, 40W, Type F - Schuko plug with UK Convertor

RS Stock No: 144-3701

RS Pro 40W Soldering Iron is a high performance soldering iron with the latest LED technology. Four LED's deliver light to your workpiece for superior accuracy. The soft grip, non-slip handle provides a more stable and effective way to control the tip position. The soldering iron delivers both comfort and flexibility and designed to relax the hand during extended use.

Features and Benefits

- Corded 40 W soldering iron
- 240 V ac
- 4 bright light LED's
- Superior accuracy
- Round, soft grip, non-slip handle
- Type F Schuko plug
- Type G UK plug adapter
- Metal stand

Why would you choose an Electric Soldering Iron?

- Suitable for repetitive work
- Maintains consistent temperature

Why would you buy this product?

- RS Pro 40 W Soldering Iron is a low-cost tool
- Ideal for hobby models, small appliances, small engine repair and crafts
- Four bright LED's deliver light to your workpiece for superior accuracy

Specifications

Model Number	LED Light
Power Type	Electrical
Type	Soldering Iron
Wattage	40W
Voltage Rating	240
Plug Type	Type F - Schuko plug with UK Convertor
Maximum Operating Temperature	+480°C
Minimum Operating Temperature	+450°C
Number of Outputs	1
Product Type	Soldering Iron
