RS Pro SVGA Cables

RS Stock No: 790-3741, 790-3745, 790-3748, 790-3754, 790-3757 & 790-3751

Features and Benefits

- RS Pro Male SVGA HD15 Plug to Male
- Cables for monitor connection to a graphics card, VGA splitter or amplifier
- Covers long distances (dependant on card and resolution) with high resolution
- 3 coaxial lines for the RGB signals and seven 28 AWG wires
- Screw locking mechanism
- Various length available; 2m to 20m
- HD15 connectors
- Black Male to Male SVGA HD cable
- RoHS Certificate of Compliance

What's the advantage of SVGA?

- SVGA supports high-resolutions
- Keep signals intact
- Cables are thicker and have better shielding
- SVGA are a most for distances over 10 metres

RS Pro Cable Options

RS Stock no: 790-3748, length 2m

RS Stock no: 790-3741, length 3m

RS Stock no: 790-3745, length 6m

RS Stock no: 790-3754, length 10m

RS Stock no: 790-3757, length 15m

RS Stock no: 790-3751, length 20m

Specification

Attribute	Value
Connector A	Male VGA
Connector B	Male VGA
Connector A Type	VGA
Connector B Type	VGA
Connector A Gender	Male
Connector B Gender	Male
Length	2m to 20 m
Sheath Colour	Black
Shielding	Double Shielded
Cable Type	SVGA
