

Dash Cam and Security Camera SDHC/XC UHS-I U3 Card

CLASS 10

32 GB

64 GB

INTRODUCTION

The Integral Dash Cam and Security Camera memory card is designed for the demanding requirements of automotive cameras (dash cams) and home security/cctv cameras. MLC flash provides high-endurance for extended read/write capability. Featuring a ruggedised industrial-grade controller for extra durability.

FEATURES

- Smooth, reliable 4K and Full HD video recording in high-end dash cams, security cameras, drones and camcorders
- Built with MLC flash that provides high-endurance for extended read/write capability
- Sudden Power Off Protection ensures minimal chance of data corruption in the case of sudden power cuts in automotive applications
- Extreme temperature resistance means the card will work perfectly in environments ranging from -30°C to 80°C
- Ultra-fast read / write, with up to 95 MB/s* read and 60 MB/s* write
- SDHC/XC Class 10
- UHS-I, Class 3 specification
- 5 year warranty
- Protective case included

* Based on internal testing; performance may vary depending on host device.

PRODUCT TYPE
