

## ECOSPILL DRAIN GUARD ADJUSTABLE FRAME

### PRODUCT

The Ecospill Drain Guard Adjustable Metal frame fits most drains (406–711mm L, 508–914mm W) and stays in place even when grating is lifted. No measuring or trimming is needed for quick installation, and the reusable frame holds 1.9L of oil and 18kg of sediment. Lightweight (1.4kg) yet durable, it provides efficient stormwater filtration.

PRODUCT NO	DIMENSIONS	QTY	CAPACITY
D42007	711mm (L) x 914mm (W) x 457mm (D)	1	1.9 Liters
