Medium Anti-Fatigue Safety Mat

RS Stock No.: 0656348

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Anti-fatigue Cushioned Safety Mats are ergonomically designed for industrial work areas with a safety high visibility edge.

Cushioned design for comfort when standing for extended periods of time on hard surfaces or working at floor level. Featuring impact absorbing foam core for relief on muscles and joints.

This layer of foam in the mat provides comfortable support, while the diamond textured pattern ensures a grip and reduces the risk of slips.
