Oil Only 15L Spill Kit in Clip Top Carrier

Oil Only absorbents are generally white in colour. They are designed for selective recovery of oils and oil based fluids whilst repelling water, this can include fuels, lubricants (mineral and vegetable) and other hydrocarbon based fluids. All kits come equipped with a range of absorbent formats depending on the size of kit including disposal bags and ties. A total 'one stop' package for a quick and effective response to spillages.
