## FEATURES

- Flexible, lightweight and durable
- Mirror smooth inner for improved flow
- Resistant to a wide range of chemicals
- High resistance to moisture absorption
- Excellent abrasion resistance

## RS PRO Air Hose Natural Nylon 12mm x 30m NMF Series

RS Stock No.: 483-5614

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price

## Product Description

Brought to you by RS Pro, a range of nylon air hoses. Suitable for applications requiring a precise and secure connection. Both Type 11 and Type 12 versions are available, providing solutions for areas requiring low toxic and food safe equipment (type 11). And also the more standard hose, which is perfect for various environments. All models are highly reliable and excellent quality.

## General Specifications

| Colour | Natural |
| :--- | :--- |
| Material | Nylon |
| Number Of Tubes | 1 |
| Special Features | Abrasion Resistant |
| Application |  <br>  <br> Secondary Air Systems |

Mechanical Specifications

| Hose Inside Diameter | 8.5 mm |
| :--- | :--- |
| Hose Outside Diameter | 12 mm |
| Length | 30 m |

Operation Environment Specifications

| Maximum Operating Pressure | 21 bar |
| :--- | :--- |
| Minimum Operating Temperature | $-40^{\circ} \mathrm{C}$ |
| Maximum Operating Temperature | $+80^{\circ} \mathrm{C}$ |
| Burst Pressure | Minimum of 63 bar (Normal Duty Grade) |

## Approvals
