

FEATURES

- **Synthetic Rubber Adhesive:** Ensures strong adhesion to surfaces like steel, with a strength of 2.2 N/cm.
- **Paper Backing:** Allows for easy tearing and application, enhancing user convenience.
- **Yellow Colour:** Provides high visibility for precise application and removal.
- **50m Length:** Offers extended use, reducing the need for frequent replacements.
- **50mm Width:** Suitable for covering larger areas efficiently.
- **0.09mm Thickness:** Balances flexibility and durability for effective masking.

RS PRO 50mm Yellow Masking Tape, 50m Length

RS Stock No: 677-025

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO masking tape is designed for precision masking applications, offering excellent adhesion and easy removal. Ideal for use in painting and decorating, it ensures clean lines and prevents paint bleed. The tape's synthetic rubber adhesive provides strong bonding to various surfaces, making it a reliable choice for both professional and DIY projects.
