

## USB Cable

00201554 "Reflective" Charging Cable, USB-A - Lightning, 1.5 m, Nylon, red

### Highlighttext:

- Stylish and long-lasting at the same time: USB cable for charging and synchronising smartphones and tablets
- High-quality, quick charging cable: in combination with a quick charger, you can charge your mobile phone at top speed
- Maximum compatibility for all Apple iPhones, iPads and iPods
- Braided Nylon cable sheath: hard-wearing, easy to wind up, no tangled cables
- Flexible and at the same time extremely resilient materials for improved kink protection against cable breakage
- Particularly stable aluminium connectors with special strain relief prevent bending or breaking of the connections
- Data cable with a speed of up to 480 Mbit/s for high-speed data transmission
- Gold-plated plugs with low contact resistance for secure signal transmission
- Trendy mobile phone charging cable with reflective elements is an unusual eye-catcher

### Note for Consumers:

MFI products are licensed by Apple and suitable for connecting to an iPhone, iPad and iPod. Apple requires high quality standards and verifies these standards before the products' market launch.
