RS PRO 100L Drip Tray

RS Stock No.: 694-328

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

The RS PRO 100L Drip Tray is a durable and practical solution designed for the safe storage and containment of small containers, drums, components, or leaking equipment. Manufactured from recycled polypropylene, it is lightweight and robust, making it ideal for use across workshops, warehouses, manufacturing sites, or transport environments.

This chemical-resistant tray helps to capture spills and leaks, keeping workspaces clean, compliant, and protected, making it an essential addition to any safety-conscious workplace.
