

FEATURES

- **Durable Polyamide Construction:** Provides robust and long-lasting use in demanding environments
- **8 mm Compatible Groove Size:** Easily fits into standard storage systems for seamless integration
- **Black Colour:** Offers a professional appearance and easy identification in storage setups
- **REACH and RoHS Compliant:** Ensures adherence to key safety and environmental standards

RS PRO 8 mm Black Grab Container

RS Stock No: 652-829

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO 8 mm Black Grab Container is designed for efficient storage and organisation of small components. Made from durable polyamide, it ensures long-lasting performance in industrial environments. Its compact design allows for easy integration into existing storage systems, making it an ideal choice for workshops and manufacturing facilities.
