## RS PRO Steel Group Lock Box, 13 Locks

RS Stock No: 710-515

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

The RS PRO Steel Group Lock Box is designed to enhance safety in industrial environments by securely managing multiple lockout points. Ideal for group lockout procedures, this lock box ensures that all energy sources are isolated before maintenance work begins, providing peace of mind and compliance with safety standards.
