

**P-970 / P-977 / P-978**

Wire stripper

Completely new design  
Wire stripper for professionals who  
have achieved further evolution

By cutting the electric wire into the tip,  
it is possible to reliably cut wires separately.

By doing strip near the hand, workability is good, weight: 5g  
you can work without damaging the core wire.

- P-970
- F For mmφ / mm 2 wire
- F For thin wire
- For medium bold line

**P-970-1**

Spring

Applicable product: P-970 / 977 / 978

**Wire stripper adaptation table**

● mmφ / mm <sup>2</sup>					
Single wire (mmφ)	0.65	0.8	1	1.6	2
Stranded wire (mm <sup>2</sup> )	0.3	0.5	0.75	1.25	2
