

FEATURES

- **4 mm Connector Size:** Ensures compatibility with a wide range of equipment and accessories
- **32 A Current Rating:** Supports high current applications, enhancing performance and reliability
- **Male Connector Type:** Provides a secure and stable connection in various setups
- **Polyvinyl Chloride Insulation:** Offers excellent insulation properties, ensuring safety and durability
- **Plug-In Termination Method:** Facilitates easy and quick installation
- **Voltage Rating of 30 V ac, 60 V dc:** Suitable for both AC and DC applications

RS PRO 4 mm Banana Plug, 32 A Male Connector

RS Stock No: 667-508

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO 4 mm Banana Plug is a reliable and efficient connector designed for various electrical applications. With a robust current rating of 32 A, it ensures secure and stable connections. The plug is ideal for use in testing and measurement equipment, providing a dependable solution for professionals.

General Specifications

Colour	Black, Red
Connector Type	Banana
Gender	Male
Insulation Material	Polyvinyl Chloride
Product Type	Banana Plug
Termination Method	Plug-In

Mechanical Specifications

Connector Size	4 mm
Length	61 mm

Electrical Specifications

Current	32 A
Voltage	30 V ac, 60 V dc

Approvals

Standards/Approvals	ANSI-ESD S20.20:2021, REACH, RoHS
