

Logitech Brio 100 Full HD Webcam

CLEARER. BRIGHTER. BETTER.

Look, sound, and meet better with Brio 100 — a simple and affordable webcam that lets you show your best self in video calls. Full HD 1080p resolution and auto-light balance bring clarity and brightness to your calls, so you look your best. Sound better with a built-in microphone, and get total privacy with an integrated shutter.

FEATURES

- **Full Clarity:** Look clearer in video calls with Full HD 1080p resolution
- **Auto-Light Balance:** RightLight boosts brightness by up to 50%, reducing shadows so you look your best—compared to previous-generation Logitech webcams (1)
- **Privacy with a Slide:** The integrated webcam cover makes it easy to get total, reliable privacy when you're not on a video call
- **Built-In Mic:** The built-in microphone lets others hear you clearly during video calls
- **Easy Plug-And-Play:** The Brio 100 works with most video calling platforms, including Microsoft Teams, Zoom and Google Meet
- **Meet in Color:** Coordinate and express yourself when working from home with a choice of fun yet sophisticated colors that go great with your setup
- **Made with Recycled Plastic:** The Brio 100 Full HD Webcam is made with a minimum of 34% post-consumer plastic (2)

(1) The Brio 100 webcam was tested against the Logitech C270 webcam by Logitech. Testing occurred in a controlled environment and over the course of the day, the weighted average improvement to brightness of the user's face was 50%. Results will vary based on actual lighting conditions.

(2) Webcam plastic content may vary by colour. Excludes Electronic (EE) Components, cables, and packaging.

WHAT'S IN THE BOX

- Webcam
- User documentation

SUSTAINABILITY

- **DESIGNING A POSITIVE FUTURE:** We design technology with your future in mind, because big change starts with people.
- **MADE WITH RECYCLED PLASTIC:** The plastic parts in Brio 100 include certified post consumer recycled plastic —77% for Graphite and Black and 34% for Off-white and Rose* — to give a second life to end-of-life plastic from old consumer electronics and help reduce our carbon footprint. *Excludes Electronic (EE) Components, cables, and packaging.
- **RESPONSIBLE PACKAGING:** The paper packaging for Brio 100 comes from FSC™-certified forests and other controlled sources. By choosing this product, you are supporting responsible management of the world's forests.
- **CERTIFIED CARBON NEUTRAL:** Brio 100 is certified carbon neutral. This means the carbon impact of the product and packaging has been reduced to zero due to Logitech's investment in carbon-offsetting and removal projects.
- **THE CLIMATE PLEDGE | Logitech:** All Logitech products are certified carbon neutral

Sustainability

Graphite and black plastic: 77% post-consumer recycled material*

Off-white and rose plastics: 34% post-consumer recycled material*

*Excludes Electronic (EE) Components, cables, and packaging.

Paper Packaging: FSC™-certified

Certified carbon neutral

SYSTEM REQUIREMENTS

- Required: Available USB-A port
- Works with
- Windows, macOS, or ChromeOS and virtually any popular videocalling platform.
- (2GB RAM or more needed for 1080p video streaming and 1GB RAM is typically needed for streaming 720p)

TECHNICAL SPECS

- Multiple resolutions
- 1080p/30fps (1920x1080 pixels)
- 720p/30fps (1280x720 pixels)
- Camera megapixel: 2MP
- Focus type: Fixed focus
- Lens type: Custom 4 element plastic lens with antireflective coating
- (2GB RAM or more needed for 1080p video streaming and 1GB RAM is typically needed for streaming 720p)
- Builtin Microphone type
omnidirectional microphone
- Mic range: Up to 1 m
- Diagonal field of view (dFoV): 58°
- Integrated privacy shutter
- USB connectivity: USB-A plug-and-play
- RightLight 2 automatically balances brightness, adjusts contrast, and compensates for challenging light environments to create a natural presentation
- DIMENSIONS
- Height x Width x Depth: 31.91 mm x 72.91 mm x 66.64 mm
- Weight: 75 g camera only (not incl cable weight)
- Attached Cable length: 1.5 m
