

Reflex® T

A durable glove offering excellent wet and dry grip

Reflex® T from Polyco is a general handling seamless knitted polycotton glove with a crinkle latex palm coating that provides excellent grip in both wet and dry conditions.

From Polyco's renowned Reflex® range, the Reflex® T safeguards the wearer from mechanical hazards. The crinkle latex palm coating provides excellent grip and is highly elastic making it extremely flexible thereby allowing for prolonged use with minimal hand fatigue. The elasticated knit wrist not only ensures a secure fit, it also keeps the hands free from dust and debris. The Reflex® T (orange) is also available on header card for display purposes and for lower order quantities.
