

SMD13-63AT

Adjustable Cable Stripper

Introducing the industry's most versatile, reliable and accurate adjustable tool for mid-span and end stripping on primary and secondary utility cables. It's the one tool everyone needs on the job!

Features

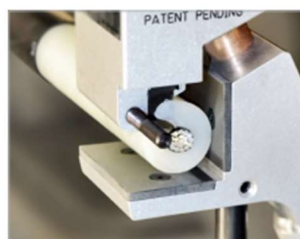

- Eliminates the need for traditional stripping knives, reducing the risk of cuts or lacerations.
- Heavy duty tool easily removes jacket & various types of insulation materials.
- Adjusts for 12.7 mm to 63.5 mm cable diameters.
- Patent-pending, self-aligning design maintains optimum blade position to produce precise cuts for reliable splices & unions.
- Well-balanced tool has low friction parts & ergonomic handles to reduce effort & potential strain from repetitive stripping functions.
- Removable handles
- Weight: 1.660 gr Dimensions: 245,6 X 146,6 X 287,7 mm. (with ruler)

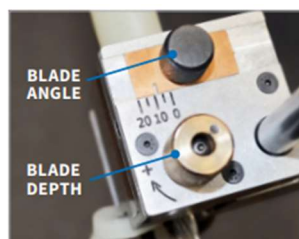

CABLE TYPE	COMPATIBLE MATERIAL		CABLE ACCESS		BLADE AJUSTABILITY		REPLACEMENT BLADE PART
