## Product Description

**RS PRO Computer Stand - 400 x 260 x 12mm**  
(Compatible with Tool Trolley - Article No. 291924)

*The RS PRO Computer Stand, measuring 400 x 260 x 12mm, is a robust and practical support accessory designed to provide a stable and secure platform for computers and other lightweight equipment. Manufactured from strong A3 steel with a sandblasted surface finish, this computer stand offers excellent durability and a non-slip base for your valuable devices.*

*This computer stand is specifically designed to enhance organization and safety in environments where computers or lightweight tools are frequently used. Its primary function is to prevent direct contact of sensitive electronic devices with workbench surfaces, which helps minimize the risk of mechanical damage, dust, or interference from workplace contaminants.*

*Key Applications:*

- Workshops & Technical Service Areas
- Industrial & Laboratory Environments
- Warehouses & Assembly Lines

*RS PRO Computer Stand (400 x 260 x 12mm) provides practical, durable, and reliable support for computers and lightweight tools, making it an essential accessory for mobile workstations such as the RS PRO Tool Trolley. Its robust steel construction and anti-slip sandblasted surface ensure that your equipment remains safe and easily accessible, even in demanding industrial or technical environments.*
