

Datasheet

RS Pro End Stop, TS35 Series

RS Stock No: **763-7567**

Product Details

RS Pro end stop provides safe and quick connections for solid and stranded wires, with or without wire-end ferrules. The earth terminals feature a PE foot contact that is snapped on, ensuring mechanical and electrical safety on both sides of the terminal without screws. It is suitable for use with ZRKD double level terminal block and ZSLD double level terminal block.

Features and Benefits

- A range of spring feed through DIN Rail terminals with a proven tension spring connection system for the smallest cross sections ranging from 0.2 to 16 mm²
- Suitable for use with DIN rail terminal
- Meets UL and CSA standards
