DOCUMENT HOLDER

Product Description

RS PRO Cylindrical Document Holder provides a simple, durable solution for protecting important paperwork in demanding environments. Designed for use on vehicles, machinery, or fixed installations, it keeps documents clean, dry, and easily accessible whenever they are needed.

Suitable for mounting on vehicles or walls, this versatile holder accommodates both A4 and A3 documents, making it ideal for storing operating manuals, safety information, inspection records, delivery paperwork, and other essential documentation. A water-resistant seal helps protect contents from moisture and dirt, while the screw-on lid is secured with a retaining chain to prevent loss during use.

Built for reliability in harsh working conditions, the Cylindrical Document Holder is an ideal accessory for commercial vehicles, agricultural equipment, construction machinery, and industrial applications.
