

# LUALF1

Current limiter cartridge, TeSys Ultra, activation 50kA, Iq 130kA@440V, for use with limiter disconnectors LUALB1

## Main

|                           |                   |
|---------------------------|-------------------|
| Range                     | TeSys             |
| Range of product          | TeSys Ultra       |
| Device short name         | LUA               |
| Product or component type | Limiter cartridge |
| Product compatibility     | LUALB1            |

## Complementary

|                      |                                      |
|----------------------|--------------------------------------|
| Activation threshold | 50 kA                                |
| Breaking capacity    | 70 KA at 690 V<br>130 kA at <= 440 V |
| Mounting mode        | Direct                               |
| Net weight           | 0.135 kg                             |

## Offer Sustainability

|                            |                                                                                                                             |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Sustainable offer status   | Green Premium product                                                                                                       |
