

Features

- Heavy-duty cable management solution
- High load-bearing capacity
- Non-marring surface-safe design
- Bright yellow high-visibility colour
- Non-conductive material
- Heat-resistant construction
- Suitable for industrial environments
- Reduces trip and entanglement hazards

RS PRO S Type Safety Cable Hanger Heavy Duty - 12 Inch - Set of 5

RS Stock No.: 0802253

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

- **Heavy-Duty Construction & High Load Capacity** - Engineered to withstand industrial use and support heavy-duty cable management requirements.
- **Non-Marring & Surface Safe** - Designed to prevent scratches, marks, or surface damage, making it suitable for factory floors and finished surfaces.
- **High Visibility Safety Colour** - Bright yellow, high-contrast finish improves visibility and reduces trip hazards in busy work areas.
- **Non-Conductive Material** - Does not conduct electricity, making it safe for use around electrical installations and live work environments.
- **Heat Resistant** - Withstands dry heat exposure without deformation or performance loss.
- **Improves Worksite Safety** - Helps prevent Cable entanglement, Trip hazards, Workplace clutter and Equipment damage

General Specifications

Type	Safety hooks & cable hangers
Material	Glass-filled engineering polymer
Colour	Yellow
Package	PE-LD

Mechanical Specifications

Size	305mm (12 Inches)
A	50mm
C	89mm
Static Load	250 Kgs
Weight	270 Grams

Operation Environment Specifications

Withstand temperature	- 30°C to +120°C
