Features

- Dimensions: 170 mm x 160 mm x 2 mm
- Sturdy mounting plate made of galvanized steel
- Option for ground connection on the mounting plate

RS PRO Mounting Plate for Stainless Steel Enclosure 200 mm x 200 mm

RS Stock No.: 890169

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

General Purpose Enclosures

Product Description

The mounting plate is the ideal solution for the interior construction of stainless-steel enclosures and enables the secure and organized installation of electrical and mechanical components.
Made of galvanized steel (DX51D+Z), it offers high strength and corrosion resistance and is suitable for use in industrial and demanding environments. Thanks to its precise fit, it integrates easily and supports the mounting of components such as control units or mounting rails.

General Specifications

Use	Accessories for General Purpose Enclosures
Body Material	Galvanized steel, 1.0226 (DX51D+Z)
Colour	Gray
Handheld	No
Flanged	No
Shielded	No
Number of Knockouts	0
Transparent Door	No
Explosion Proof	No
Features	Perfect fit for stainless steel enclosures, stability, corrosion resistance
Cover Screws Material	A2-50 stainless steel

Mechanical Specifications

External Height	170 mm
External Length	160 mm
External Dimension	170 mm x 160 mm x 2 mm
Weight	382 g
Thickness	2 mm
