- Steel full hex nut, bright zinc plated (BZP)
- Available in different finishes and materials

RS PRO Steel Hex Nut, Bright Zinc Plated, M3

RS Stock No.: 198-318

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO hex nuts are a six-sided nut that fastens screws and bolts efficiently and securely. They are the most common hexagonal fastener that has internal threads that screw on to the shank of a bolt or a hex cap screw. These metric hex nuts are available in a variety of sizes ranging from M2 to M20.
