

## Features

- **Heavy-Duty Shock Absorption** – Effectively reduces collision damage, preventing wear and tear on boats, vehicles, and structures.
- **Flexible Design** – Suitable for use in marine settings, parking spaces, warehouses, and production lines.
- **Optimized for Industrial Use:** Specifically designed for warehouses, loading docks, and factory production lines.

## RS PRO D-Type Bumper 200mm Length x 78mm Width x 78mm Height SBR/NR

Vendor Partcode.: 0688195

RS PRO is our own brand range and brings you a wide range of high-quality, great value products offering you more choice. Trusted by engineers all over the world, every part of every RS PRO product has been rigorously tested against demanding industry standards; they're only given the RS PRO Seal of Approval if we're confident of their exceptional quality, which means you can be confident too.

Product Description IBUTE

*RS PRO D-Type Bumper is a high-quality impact protection solution, engineered for marine, industrial, and automotive applications. Crafted from premium NR/SBR rubber, this bumper delivers exceptional abrasion resistance and shock absorption, ensuring long-lasting durability in high-traffic environments. Whether used on boats, docks, warehouses, or parking areas, its robust construction and innovative design provide reliable safeguarding against collisions, scrapes, and mechanical impacts.*

*This multifunctional bumper is designed for ease of installation, making it an essential addition to loading bays, garages, and marine settings. Its flexible yet sturdy build allows it to be adapted for a variety of applications, whether protecting vessels during docking, reinforcing vehicle bumper zones, or ensuring safety in industrial workspaces*

## Specifications

<b>Material</b>	SBR/NR
<b>Colour</b>	Black
<b>Length</b>	200mm
<b>Width</b>	78mm
<b>Height</b>	78mm
<b>Hardness</b>	75ShA
<b>Weight (Kg)</b>	0.89

## Approvals

<b>Standards Met</b>	REACH
